Sir:

Introductory Comments

In a response mailed 28 June 2004 to a Notice to File Corrected Application Papers mailed by the Office on 30 March 2004, a set of formal drawings was submitted; the formal drawings are to be substituted for the informal drawings filed with the application.

Since the specification contained an inadequate description of the drawings please amend the above-identified patent application as follows:

"Amendments to the Specification" begin on page 2 of this document.

"Remarks" begin on page 3 of this document.
